UTILITIES BOARD

IN RE:  TEGLOBE BUSINESS SOLUTIONS INC.	DOCKET NOS. TCU-00-14 TCU-96-8
--	-----------------------------------

**ORDER GRANTING REQUESTED NAME CHANGE**

(Issued May 19, 2000)

On March 20, 2000, Teleglobe Business Solutions Inc. (Teleglobe) filed a request for a name change from Dial & Save of Iowa, Inc. d/b/a Dial & Save (D&S), to Teleglobe Business Solutions Inc. The Utilities Board (Board) issued an order on September 20, 1996, in Docket No. TCU-96-8, approving the application of D&S for a Certificate of Public Convenience and Necessity to provide local exchange service in the state of Iowa, pursuant to Iowa Code § 476.29 (1999).

The Board ordered that upon approval of tariffs to reflect the prices, terms and conditions of local exchange service in Iowa, and upon approval of maps or other documentation to define the service territory where the applicant will serve, a certificate of public convenience and necessity would be issued. These conditions have not yet been met.

The Board will grant the request to change the name of the company to Teleglobe Business Solutions Inc. and will issue a certificate of public convenience and necessity under the same conditions as stated in its September 20, 1996, order.

**IT IS THEREFORE ORDERED:**

1. The request filed on March 20, 2000, for a name change from Dial & Save of Iowa, Inc. d/b/a Dial & Save, to Teleglobe Business Solutions Inc. will be granted.
2. At the time Teleglobe Business Solutions Inc. files tariffs with the Board, it must give notice to all affected local exchange carriers. Upon approval of tariffs to reflect the prices, terms, and conditions of local exchange service in Iowa offered by Teleglobe Business Solutions Inc., maps or other documentation to define the service territory where the applicant will serve, and a statement that a 2-PIC methodology for dialing parity is available for all customers, the Board will issue a certificate of public convenience and necessity allowing it to provide local exchange service in Iowa.
